Discussion in getting bids for a new furnace with a heat pump so we can have something done before next winter was held. Supervisor Sides is to work on bid specs so we can have a set of specifications to send out for bids.

Supervisor Sides brought up that things were slow right now and would like us to discuss only having office hours at the township hall on the first and third Mondays. Discussion was held on how this would affect the assessor contract and it was decided to leave the hours for the assessor at this time to every Monday as in the contract. No change was made to office hours.

Supervisor Sides reported we should have budget review in February with our budget public hearing in March.

Meeting adjourned at 8:20pm

Respectfully Submitted By:

Denise M. Livermore, Clerk
